

TEAFINITY®

NATURAL BREWED ICED TEA

With the Brewmaster System

- GREAT TASTE** - Extracted from the finest teas. In Taste Tests*, 9 out of 10 believed Teafinity® Natural Brewed Iced Tea was fresh brewed.
- LOOKS LIKE FRESH-BREWED** - With brew basket, hidden water lines and hidden controls, the Teafinity® Brewmaster System appears exactly like a fresh-brewed equipment set-up.
- EASIEST TO USE** - Speed and convenience of Bag-in-the-Box with a Line Flush BIB for weekly cleaning.
- QUALITY AND CONSISTENCY** - Brewed from the leaf with pure water. Preserved aseptically. No artificial flavors and very little chemical preservatives added.
- VERSATILITY AND FAST VOLUME** - From 10 oz. to 5 gallons brewed at a time. Short recovery time allows brewing large volumes.

* Tests conducted 12-22-2011, Matthews, N.C.

BREWMASTER SYSTEM

TEAFINITY® NATURAL BREWED ICED TEA

It's simply the finest tea concentrate program on the market today. With the innovative Brewmaster System, Teafinity Natural Brewed Iced Tea compares most favorably in taste and appearance to fresh brewed iced tea among all tea concentrates. It delivers on the simplicity, consistency and versatility that will enable many operations to become an iced tea destination.
